1. Welcome to Marine Corps Air Station Beaufort in the beautiful low country of South Carolina! I hope you are looking forward to your stay as much as we look forward to hosting you.

2. Marine Corps Air Station (MCAS) Beaufort is home to cutting edge Marine Corps aviation equipment and personnel, and we make safety and security a top priority, beginning with entry to our installation. In order to gain entry to the air station, you must either be accompanied by your Department of Defense (DoD) sponsor, or be screened for access by our security office. For the convenience of those who will not have their DoD sponsor present when entering the installation, refer to enclosure (1) of the attached request form. Personal identifying information you are asked to provide will allow us to conduct a security background check, verify your eligibility through your sponsor, approve your access to the base, and confirm your reservation. Please provide the information in the attached "Unaccompanied Visitor Access Request Form" found in enclosure (1) for every member of your party, 18 years of age and older who may seek entry to the installation without the DoD sponsor present. You may email, mail, or fax the completed forms to:
