

NEW PARENT SUPPORT PROGRAM **VIRTUAL APPOINTMENTS** **NOW AVAILABLE**

Our licensed home visitors provide parenting education, information, and support to military families. **Home visitation or face-to-face appointments will continue to be offered.**

Who is eligible? All active duty service members and their eligible family members who are expecting a child or with children under six years old can participate free of charge.

What if we are not new parents? Even if you have been raising your family for a few years, new ages and stages bring different challenges. Our program offers you the opportunity to express your concerns and ask questions about babies, young children, and family relationships.

What does the program offer? Parents have the opportunity to enhance their parenting knowledge and discuss topics such as:

- **Being a nurturing parent • Infant massage**
- **Child behavioral issues • Appropriate discipline**
- **Child development • Age-appropriate play**
